DEDICATION

We, the class of 1960, do hereby dedicate the first edition of the MONTICELLO to our successors, the future classes of Thomas Jefferson High School. We do so with the firm belief that they too, will be able to recall their years at T. J. with pride.

FOREWORD

This, your high school yearbook of 1960, may be likened to the building from which it derives its name. The MONTICELLO is a storehouse of treasured memories, and a monument to our school heritage. Wandering through the pages of this book in future years, you will recall all the memories of our school pride, enthusiasm, and most important year in the history of our school. You will always have a private window to the past through which you will be able to remember your happy high school years.

ADMINISTRATION AND FACULTY

SCHOOL HISTORY

Education in our area has come a long way since the days of Thomas Jefferson, Statesman and President. Our present junior-senior high is certainly a wonderful improvement over the one, two, and three room schools formerly in our district. Before the consolidation program under which our school is now operated, there were many small schools including the Wray School built in 1812, the Jones School, and the Torrence School built in Pleasant Hills by the Works Progress Administration of the Federal Government. This program began in 1937 and did away with many small, outmoded buildings.

The new Thomas Jefferson Junior High School was opened for partial occupancy on September 22, 1953. This day marked the realization of the dream for which the Board of Education, administration, teachers, pupils, and parents had long been waiting. The untiring efforts of all resulted in a fine new building with modern facilities and equipment. It was the first step toward completing a modern, up-to-date secondary school program.

The building was located on a seventeen acre plot of land, purchased from Chamberlain and Pierce, and was designed to be functional, modern, and convenient.

The final step in the making of an up-to-date secondary program was taken on September 2, 1958.

The opening of the new senior high marked an outstanding achievement in the cultural history of the West Jefferson Hills School District. The citizens who had high aspirations for a modern educational system made it possible to complete this last addition.

The present senior high building, adjoining the junior high, offers a beautiful view of the surrounding country for six miles. It has been designed for a modern approach to education and facilities have been provided so that this objective may be accomplished.

Combined with the junior high, thirty-three rooms are available for the teaching of English, foreign languages, social studies, mathematics, and science.

Each of the five science rooms has an effective laboratory with instructional areas plus individual student experiment tables.

The Business Education Department is comprised of two typing rooms, one of which is partially equipped with electric typewriters. The office practice room is designed and equipped to provide many various office experiences. These rooms are able to supply the commercial student with the practical experiences he or she may find valuable in future years.

The Industrial Art Education Department, located on the lower floor, includes wood, electric, metal, and machine shops, a drawing room and a general shop for junior high school use.

The Home Economics Department consists of a foods laboratory, homemaking suite, and clothing laboratory.

The gymnasium provides facilities for a comprehensive health, physical education, and recreation program.

Conveniently located, the library will accommodate eighty students in the main reading room. There are two conference rooms, one storage room, a work room and librarians' office.

A modern, well-equipped cafeteria can serve six hundred pupils during each period.

The educational program extends beyond the classroom into the auditorium and community rooms. The auditorium seats seven hundred, seventy-four people, and has ample dressing and storage rooms for school and community dramatic and musical productions. The Community Room has a stage and a seating capacity of two hundred, fifty. It is a most useful room for instruction, student activities and small community functions.

The athletic field provides areas for football, baseball, track and softball. Present seating arrangements for spectators approximates 2,500 and there is parking area for about 500 cars.

The citizens of West Jefferson Hills can be proud of this accomplishment. Modern education requires a physical plant which will facilitate learning processes and take care of individual differences in each student, who will one day take his place as a responsible citizens in our democracy. Thomas Jefferson High School is fully prepared to accept this responsibility. It can truly serve as the mentor of the youth of West Jefferson Hills.

SPORTS

FOOTBALL

Coach Jardini, Head Coach Conner, and Coach Hall

Although not considered an "active" member of the WPIAL this season, our Jaguars managed to gain much respect and experience in their first varsity season. Playing schools such as Monongehela, an experienced and powerful "AA" ball club, and North Braddock Scott, a strong class "A" contender, proved that the boys of Jefferson are more than just a "fly in a spider's web." Teams with years of experience met an unexperienced and undersized, yet determined, Jefferson squad.

With a line averaging only 165 lbs., being accompanied by a light, yet fortunately "fast" backfield, the Jaguars limited their offense to a strict ground attack. The disappointing record of 2 wins and 7 losses does not indicate the caliber of ball played.

Our important victory was over neighboring Snowden, who went undefeated in class "B" of the WPIAL. With these matters in consideration, Jefferson students can be proud of their 1959 Jefferson football squad.

TRACK

The first group of track team candidates began their workouts on March 23, under the tutelage of Mr. Basch. For many of these boys, this was the first attempt at track sports and this presented a tremendous challenge to them and to Mr. Basch. All track events, including discus throwing, low and high hurdles, distance running, etc., were represented by our first senior high squad in their meets. Teams from Donora, Turtle Creek, Baldwin, Mt. Lebanon, and Brentwood High Schools were opponents.

Lack of experience kept the team from winning any meets, but a few individual performances stood out in these losses. Jack Watkins earned a first place in javelin, Bob Gecan, second in the mile run, and Ed Weiss pole vaulted 9'6" for second place honors.

We can look forward in coming years to top track teams which will bring many honors to Thomas Jefferson High School.

FACULTY vs ALL STARS

The second annual Faculty-Student Basketball Game sponsored by the West Jefferson Hills Professional Association was played before 1300 enthusiastic fans February 26, 1960. Although the final score was 45-22 in favor of the Twelfth Grade All-Stars, the "Old Cowboys" showed plenty of spirit.

The proceeds of these games will be used toward a scholarship for some worthy senior to attend a teachers college in Pennsylvania.

ACTIVITIES

DEDICATION

One of the most important and outstanding events in the history of Thomas Jefferson High School, the formal dedication, took place on May 5, 1959. William J. Blakley, Supervising Principal of the West Jefferson Hills School District, presided. The invocation was delivered by Dr. Paul F. Hudson, D.D. of the Pleasant Hills United Presbyterian Community Church. Anthony Canterna, President of the 1958-59 Junior Class, led the flag salute, after which the school's flag was presented by the Jefferson Borough Lions Club.

Mr. Paul Graham, Chairman of the School Authority, presented the key to the school to Mr. Joseph Nechaj, President, who accepted it on behalf of the Board of School Directors. Howard F. Jack, High School Principal, then received the key for the faculty and students.

Following a speech entitled "We Are Privileged" by J. O. Martin, President of the Senior High Student Council, Dr. Perry Gresham, President of Bethany College in West Virginia, spoke of Thomas Jefferson, author, architect, and President.

The Rev. Raymond Patterson of the Beulah Baptist Church, pronounced the benediction.

SENIOR NATIONAL HONOR SOCIETY

The highest honor Thomas Jefferson High School can bestow upon its students is initiation into the National Honor Society. Membership in this chapter is open to juniors and seniors who have maintained a high school scholarship average of 3.4 or above. Eligibility is also considered on the merits of service, character, and leadership.

The object of the Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character among the students of T.J.H.S. Each member receives an Honor Society card and pin to signify his membership in this nation-wide organization. Just getting under way, our Honor Society chapter has already held a successful initiation of new members and has established an honor award system in the homerooms.

VARSITY CLUB

The Varsity Lettermen's Club is an organization open to the athletes of Thomas Jefferson High School who have received a letter for participation in a varsity sport. It has several objectives, set down in the club's constitution, which it hopes to attain through the formation of such a group. The Varsity Club is to act as a chief promoting force for a high standard of athletics and a strong athletic program in the school. It is also to act as a purposeful school service organization, initiating social functions and occupying the leisure time of the members with worthwhile projects.

The club intends to build the best and most desirable social habits in the school, and we are sure that this goal will become a realization with each school year and with new athletic teams.

JUNIOR HIGH STUDENT COUNCIL

The Junior High Student Council, sponsored by Mr. Fleckenstein, made quite a showing this year. Their Holly Hop was a huge success as were their other activities such as the Junior High Talent Show, the Junior High Pep Assemblies, the Valentine Dance, and the Ninth Grade Picnic.

The purpose of this Student Council was to establish the qualities of leadership, to give students an opportunity to work closely with the administration, to plan student activities, and to serve the school in general. The Student Council is not a student government, as the name might imply, but a coordinating center between the students and the administration.

An outstanding example of fine work in journalism is the *Jeffer-Sun*, the junior high school newspaper. This organization is sponsored by Mrs. Gourley.

The *Jeffer-Sun* is published on the average of six papers per school term. It provides an excellent opportunity for the students of the junior high to display their talents in the field of writing. The *Jeffer-Sun* has done a fine job of providing the students with an entertaining and informative newspaper.

On April 23 and 24, 1959, the Junior Class presented "Our Town" by Thornton Wilder. This was the first production in the new Thomas Jefferson High School auditorium and it was enjoyed by parents and students alike.

SEA OF DREAMS

Sea of Dreams — Thomas Jefferson's first Junior Prom was held May 22, 1959. The motif was carried out in shades of blue and green with a large pink clamshell housing the orchestra of Buddy Lee. Until midnight the couples danced, and at that time they proceeded from the gym to the cafeteria for a buffet lunch sponsored by the Adult Council. A Dawn Hop followed where dreamy couples were entertained by a hypnotist and two local singing groups. The Dawn Hop proceeded until 4:00 a.m. to the music of Wesly Ward.

"THE DIARY OF ANNE FRANK"

Terrific!!! The only word that can adequately describe the magnificent presentation of *The Diary of Anne Frank* by Thomas Jefferson's first Senior Class. Under the direction of Mrs. Jane B. Smith, the cast was able to convey the compassionate feelings of a young Jewish girl. The scene was set in Amsterdam, Holland, during World War II when the Jews were being persecuted. Forced to hide for three years in the attic of an old warehouse, Anne gives encouragement and hope to those around her. The story portrayed the racial prejudices of the time and the stress and anxiety of war.

The cast consisted of ten players, the most unique member being Mouschi, Peter's beloved cat. The long and strenuous efforts of the cast proved worthwhile when the play was presented on December 10 and 12. There was a two-story set built under the direction of Mr. George Gieske, Technical Director. Other behind-the-scene committees also worked for the success of the play. Powerful and dynamic, *The Dairy of Anne Frank* was highly praised for many weeks thereafter.

One of the most dramatic scenes of the play is portrayed when Mrs. Frank comforts Anne as Mr. Frank looks for the dreaded Nazi police.

Very important in the production were the behind-the-scene hands of the Make-up Committee.

Miss Livingston assists in the making-up of Ron Hustwit.

Aiding Pat Teves, Chairman of the Art and Set Committee, is Jim Halt of the Stage Crew.

FOOTBALL MOTHERS' BANQUET

The second annual Football Banquet, sponsored by the Football Mothers Club, was held in the high school cafeteria on December 7, 1959. Approximately 250 guests enjoyed the delicious dinner prepared by the Mothers. Judge Samuel Weiss served as Master of Ceremonies, and Vic Fusia, assistant football coach at Pitt, was the main speaker of the evening. Mike Ditka and Don Kraus of the Pitt Football squad were also present to lend a few comments. Our own Coach Connors made a few brief remarks, and the co-captains of this year's squad, Tony Canterna and Dom Castagna, expressed their appreciation to the coaches for their aid and support. John Engel-mohr, Senior Class President, made some additional remarks. A fitting climax to the evening came when the Mothers Club presented each member of the foot-ball team with an individual caricature done by Bob Beech, a local artist and avid booster of the team.

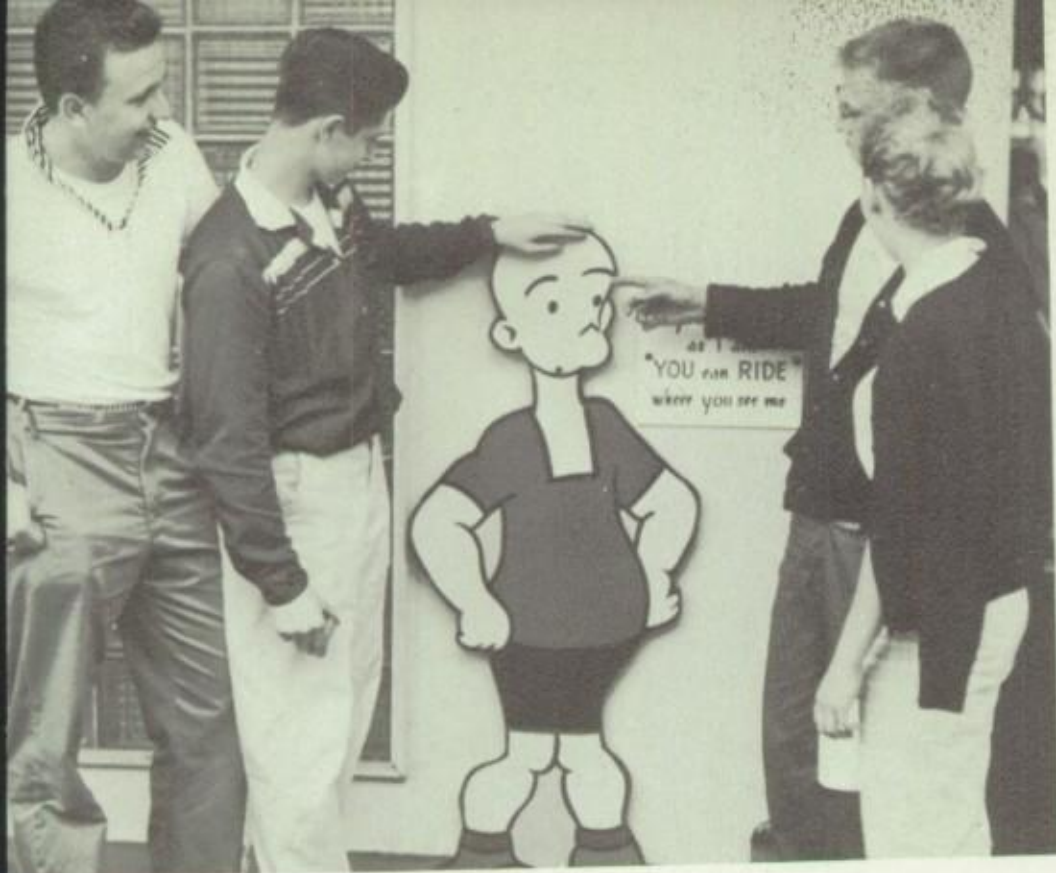

Seated l. to r. Vic Fusia, Asst. Pitt Coach, Judge Samuel Weiss, M.C., Mrs. Grubesky, Football Mothers Pres., Mike Ditka, Pitt All-American End, Dave Kraus, Pitt Q.B., Art Conner, Head Football Coach
